# Selecting a Color Range Assignment

Assignment Description:
Use & become familiar with selecting certain colors in a picture.

Directions:

- Click to open the **"12_Color_Range _Assignment.jpg"** file from the website.
    - After it opens, right-click the photo & select *"Save picture as…"*
    - Save this file into your "Visual Communications" folder.

- Open this file in Photoshop.
- Double-click the "Background" layer & click "OK". (This changes it to a normal layer).

- **Using the Color Range, select ALL of the blue sky.**
  Inverse selection so that the sunflowers are selected.

- Once the correct areas are selected, **add a Layer Mask** by simply pressing the following button (at the bottom of the layer's pallet).
    - *(This adds a black & white layer mask to the layer. I will explain more about layer masks in the future).*

Save your assignment:
- Format: TIFF

- H:/Drive→ Visual Communications→ Assignments/Projects→

- Save it as: ***12 Color Range Assignment – Arlene P***

  *(**obviously change the "**Arlene P**" to **YOUR** first name & last letter**)*
