

Image Size Assignment

Assignment Description:

Demonstrate that you know how to figure out & change the size of an image.

Directions:

- Click to open the "**15_Image_Size_Assignment.jpg**" file from the website.
 - o After it opens, right-click the photo & select "Save picture as..."
 - o Save this file into your "Visual Communications" folder.

- Open this file in Photoshop.

- Follow the directions on the document.
(Type your answers on the actual document).

Save your assignment:

- Format: JPEG

- H:/Drive → Visual Communications → Assignments/Projects →

- Save it as: **15 Image Size Assignment – Arlene P**
(*obviously change the "Arlene P" to YOUR first name & last letter*)
